If you violate the Bod•ē Pro EU Terms and Conditions, you will be subject to Progressive Discipline.¹² If after using the Appeal Procedure, which is part of the Progressive Discipline Policy, you do not agree with Bod•ē Pro EU's decision, you or Bod•ē Pro EU can ask to have a mediator help us work out the problem. If either of us chooses not to mediate or the mediation fails, then we can submit the matter to an arbitrator, not the courts. This means that there will not be a trial by a judge and jury. We both agree that our disputes will not be tried as a class action. We will use Arizona law for this matter and the arbitration will take place in Maricopa County, Arizona. If it turns out that a policy is not valid, the invalid parts of the policy will be deleted and the remaining portion will still be effective as if the invalid portion never existed. - a. Autodialers. Influencers may not use autodialers to offer Bod•ē Pro products, or the earnings opportunity.
- b. Prerecorded or artificial voice messages. Influencers may not use prerecorded or artificial voice messages to offer Bod•ē Pro EU products, or the earnings opportunity, unless: (a) you have an established business relationship with the recipient, or (b) you have obtained the prior express consent of the recipient to the use of such prerecorded or artificial voice messages.
- c. Unsolicited faxes & unsolicited e-mail messages. Influencers may not send a fax message, an e-mail message or text message to anyone with whom you do not have an

established business relationship, or who has not given you prior express permission to send them a fax or text message.

d. Do Not Call Lists. Influencers may not contact, either by telephone or by fax, any person or entity whose telephone number is on any government sponsored “Do Not Call” list, unless one of the FCC’s exemptions is applicable to the specific person or entity. You must also maintain your own “Do Not Call” list that records the number(s) of any person or entity that requests that they not be contacted by you. Furthermore, you must maintain a written policy governing the “Do Not Call” list, and all personnel engaged in telephone solicitation on your behalf must be trained in the existence and use of the list. It is your responsibility to consult with your attorney to determine the requirements of federal and any state laws relating to “Do Not Call” lists, and to comply with those requirements.

e. Further restrictions. Federal law requires that any person or entity making a telephone solicitation must, at the beginning of the message, provide the called party with the name of the individual caller and the name of the person or entity on whose behalf the call is being made. The person or entity on whose behalf the call is made must also provide a telephone number or address at which such person or entity may be contacted. In addition, no calls may be made before 8:00 a.m. or after 9:00 p.m. (local time at the called party’s location).

f. Electronic Communications. The CAN-SPAM Act of 2003, a federal law that governs the use of email messages to advertise or promote a commercial product or service, including content on an Internet website operated for commercial purposes, applies to all Influencers who promote the sale of Bod•ē Pro EU products or the earnings opportunity by sending email, regardless of whether the Influencer has a pre-existing business or personal relationship with the recipient. Failure to obey the requirements of the CAN-SPAM Act could result in criminal and civil enforcement actions, imprisonment and severe financial penalties. Influencers may not send unsolicited commercial email or unsolicited bulk email (spam). Influencers are prohibited from sending messages unless the Influencer has a prior existing business or personal relationship with the recipient; or the recipient has provided prior affirmative consent to receive the message. “Prior existing business relationship” means a relationship formed by a voluntary, two-way communication between the Influencer and the recipient based on the recipient’s prior purchase, transaction, or inquiry. “Personal relationship” means a relationship based on the recipient’s status as a family member, friend or acquaintance with respect to the Influencer. “Affirmative consent” means that the recipient has expressly consented to receive the message, either in response to the Influencer’s clear and conspicuous request for such consent or at the recipient’s own initiative. Consent must specifically address receipt of messages regarding Bod•ē Pro EU products or the earnings opportunity. It is the Influencer’s responsibility to ensure his or her compliance with all laws and regulations.

Endnote 10. Foreign Corrupt Practices Act. In conformity with the United States Foreign Corrupt Practices Act, similar legislation in other countries, and with these Terms and Conditions regarding business practices, an Influencer must not directly or indirectly make an offer, payment, promise to pay, or authorize payment or offer a gift, promise to give, or authorize the giving of anything of value for the purpose of influencing a decision or act (including a decision not to act) of an official of any Government, employee of a Government-controlled entity, or of

an employee of any company or inducing such a person to use his influence to affect any such decision or act in order to assist the Influencer or Bod•ē Pro EU in obtaining, retaining or directing any business.

4. You shall maintain the confidentiality and security of the Confidential Information in your possession and protect against disclosure, misuse, misappropriation or any other action inconsistent with Bod•ē Pro EU's rights.

c. FURTHER RESTRICTIVE COVENANTS

In consideration to Bod•ē Pro EU for the receipt of Confidential Information, you further agree you shall not take or encourage any action, the purpose or effect of which would be to circumvent, breach, interfere with or diminish the value or benefit of Bod•ē Pro EU's contractual relationships with any Bod•ē Pro EU Influencer or Customer.

i. Directly or indirectly, contact, solicit, persuade, introduce, or accept any Bod•ē Pro EU Influencer, Bod•ē Pro EU Customer or anyone who has been a Bod•ē Pro EU Influencer or Customer for the last six months, into, or to encourage any such person in any way to promote opportunities in marketing programs of any direct sales company. This includes, but is not limited to, soliciting Bod•ē Pro EU Influencers or Customers to sell or purchase products or services other than the Company products or services, regardless of what type of product is sold by the other direct sales company or network marketing company.

ii. Directly or indirectly engage in cross-line recruiting. "Cross-line recruiting" is defined as contacting, soliciting, or persuading an individual or entity that is already a customer or Influencer of Bod•ē Pro EU to enroll with a different enroller. The use of a spouse or

relative's name, trade name, d.b.a., assumed name, corporation, partnership, trust, Federal ID Number or fictitious ID number, or any other device or contrivance to circumvent this policy is strictly prohibited. iii. 2. In addition, any action taken by an Influencer while building their sales organization that is found to be detrimental to Bod•ē Pro EU will be subject to disciplinary action, up to and including suspension and/or termination of his or her Membership. This type of action includes, but not limited to, commission plan manipulations and placement manipulation.

3. Violation of any provision of this Confidentiality and Restrictive Covenant Agreement ("Confidentiality Agreement") constitutes an Influencer's voluntary resignation and cancellation of his or her membership, effective as of the date of the violation. Since the violating Influencer has resigned, all commissions or bonuses paid for and after the calendar month in which the violation occurred must be returned to Bod•ē Pro EU.

4. In addition to being entitled to a refund of bonuses and commissions after the date of resignation or termination and to any damages arising hereunder, in the event a person or entity violates this Confidentiality Agreement, Bod•ē Pro EU and any Influencer that experiences an adverse financial impact as a result of such person's or entity's violation of this Confidentiality Agreement shall be entitled to an accounting and repayment of all commission, financial or other benefits which the person or entity directly or indirectly received and/or may receive as a result of, arising out of, or in connection with any violation of this Confidentiality Agreement. Such remedy shall be in addition to and not a limitation on any damages, injunctive relief or other rights or remedies to which Bod•ē Pro EU is or may be entitled to at law or in equity.

5. Violations of this Confidentiality Agreement are especially detrimental to the growth and success of other Bod•ē Pro EU Influencers' businesses. In addition to relief sought by harmed Influencers, Bod•ē Pro EU may also seek and obtain from the violating Influencer damages for violations of this Confidentiality Agreement. If litigation or arbitration is undertaken to recover commissions or damages as specified herein, the prevailing party shall be entitled to an award of legal fees and expenses.

d. TERM

The agreements contained in this Confidentiality Agreement of the Bod•ē Pro EU Terms and Conditions shall remain forever and in perpetuity, except that the agreements contained in section c. 1. i "Further Restrictive Covenants" shall remain in full force and effect during the term of the previously executed Agreement between Bod•ē Pro EU and you, and thereafter until the latter of one (1) year from your latest receipt of any Confidential Information or nine (9) months after the expiration, resignation or

termination of such Agreement and the agreements in section c. 1. ii shall remain in full force and effect during the term of the Influencer's Agreement.

e. RETURN OF INFORMATION

Upon termination of the Agreement between Bod•ē Pro EU and you, you shall return all copies of the Confidential Information in the Influencer's possession or control. Upon request by Bod•ē Pro EU, you shall certify to Bod•ē Pro EU, by sworn affidavit that you have returned all copies of the Confidential Information in your possession or control and that no other copies of the Confidential Information exist in your possession or control.

f. BREACH AND REMEDIES

You acknowledge that Bod•ē Pro EU would suffer irreparable harm as a result of any unauthorized disclosure or use of the Confidential Information and that monetary damages are insufficient to compensate Bod•ē Pro EU for such harm. Therefore, if you are in breach of these Terms and Conditions, Bod•ē Pro EU is entitled to a temporary restraining order or injunction, without notice to you, restraining any unauthorized disclosure or use of the Confidential Information in addition to any other available remedy, including damages. In any such action, if Bod•ē Pro EU prevails, you agree you are to reimburse Bod•ē Pro EU for its costs and reasonable attorneys' fees incurred in connection with taking the legal action.

Endnote 12. Progressive Discipline Policy and Appeal Process. Bod•ē Pro EU has adopted a progressive discipline policy ("Discipline Policy) to identify and address violations of these Terms and Conditions by Influencers. The Discipline Policy applies to any and all Influencer conduct that Bod•ē Pro EU, in its sole discretion, determines must be addressed by discipline. Bod•ē Pro EU need not resort to progressive discipline, but may take whatever action it deems necessary to address the issue at hand. The Company takes a comprehensive approach regarding discipline and will attempt to consider all relevant factors during the following progressive disciplinary process:

Warning Letter. An Influencer will be given a written warning when he or she engages in conduct involving a violation of the Terms and Conditions. Examples of such violations include but are not limited to:

- Using Bod•ē Pro EU's intellectual property without our permission; (i.e., domain names, social media URL's, etc.);
- Minor non-compliant product claims

- Advertising/marketing pieces without prior approval
- Selling products through online Internet store fronts (i.e., Ebay, Craigslist, etc.)
- Selling products through retail outlets without prior approval
- Unapproved use of Celebrity endorsements

As the first step in the progressive Discipline Policy, a written warning is meant to alert the Influencer that a violation exists that must be addressed. A written warning remains in effect for 10 business days.

If the violation is not corrected within 10 business days, Bod•ē Pro EU will move to the next level of discipline which is suspension.

Suspension. Suspension may be imposed immediately when an Influencer engages in conduct involving a serious violation of the Terms and Conditions, which, if proven, would warrant termination. Examples of such violations include but are not limited to:

- Flagrant non-compliant product claims (e.g. cures cancer, diabetes, heart disease) or non-compliant income claims
- Theft from customers
- Credit card fraud
- Recruiting for other MLM's

- Repetitive violations of the Terms and Conditions
- Threats to employees or others
- Inappropriate or illegal behavior
- Repeat offenses for product claims

A fine will also be imposed when an Influencer's account is suspended. The fine applies to any and all commissions due and is effective the day of the suspension. The fine will be collected by withholding the Influencer's check or cancelling any direct deposit or any other form of payment. The fine may be released after 90 days if the violation is corrected at the discretion of Bod•ē Pro EU. Fines that are forfeited will go into the SAFE Program account, unless the funds are needed to pay for legal fees and/or costs incurred in relation to the violation.

The suspension will remain in effect for a reasonable period of time for Bod•ē Pro EU to investigate the violations. Influencers cannot conduct Bod•ē Pro EU business while suspended. Following the investigation, Bod•ē Pro EU Compliance will implement one of the following:

- Close the case and reinstate the Influencer
- Send a warning letter with a provision that if another violation occurs, the Influencer will be immediately terminated.
- Fine the Influencer without the right of release of the fine.
- Termination

If the matter is resolved Bod•ē Pro EU may reinstate the account once the Influencer has signed a reinstatement agreement outlining the terms of the reinstatement. If the matter is not resolved Bod•ē Pro EU will move to the next level of discipline which is termination.

Termination. Termination is imposed when the Influencer's conduct involves a serious violation of the Terms and Conditions or fails to resolve an issue they have been notified of previously via a warning letter or a suspension letter. Examples of such violations include but are not limited to:

- Flagrant non-compliant product claims (e.g. cures cancer, diabetes, heart disease) or non-compliant income claims
- Theft from customers
- Credit card fraud
- Recruiting for other MLM's
- Cross recruiting
- Repetitive violations of the Terms and Conditions
- Threats to employees or others
- Inappropriate or illegal behavior
- Repeat offenses for product claims

Influencers that are terminated will be subject to a permanent revocation of all privileges associated with being a Bod•ē Pro EU Influencer, including but not limited to the loss of:

- The right to operate a Bod•ē Pro EU business;
- All rights and interest in their sales organization (downline);
- All commissions and bonuses from the date of the violation;
- The right to purchase Bod•ē Pro EU products;
- The right to hold oneself out as a Bod•ē Pro EU Influencer; and
- Access to the Influencer's account and Bod•ē Pro EU Influencer website.

Bod•ē Pro EU will also have the right to commence legal proceedings for monetary and/or equitable relief in situations deemed appropriate.

Bod•ē Pro EU will generally take disciplinary action in a progressive manner, but it reserves the right, in its sole discretion, to decide whether and what disciplinary action will be taken in a given situation, including the right to proceed to a fine, suspension or termination without the need to impose other disciplinary steps, depending on the severity of the violation.

Appeal Process. An Influencer may appeal any final disciplinary decision of Bod•ē Pro EU Compliance, except for a warning letter.

If an Influencer wishes to appeal the disciplinary decision of Bod•ē Pro EU Compliance they can send their written appeal to Bod•ē Pro EU Compliance Department via mail, overnight mail or email (compliance@BodePro.com). The written appeal must be received by Bod•ē Pro EU within 10 business days of Bod•ē Pro EU's final disciplinary decision notification to the Influencer. Influencers and Bod•ē Pro EU will not be represented by an attorney during the appeal process.

The Appeal will be reviewed and decided upon within 10 business days of receipt of the written appeal. Written notice of the final decision will be made within 10 business days and will be sent by Bod•ē Pro EU Compliance.

THEN IN EFFECT, EXCEPT THAT (i) ALL PARTIES SHALL BE ENTITLED TO ALL DISCOVERY RIGHTS ALLOWED UNDER THE FEDERAL RULES OF CIVIL PROCEDURE.

The Parties shall attempt to select a mutually agreeable arbitrator from A.A.A.'s Panel of Arbitrators. If an arbitrator is not selected by agreement within ten (10) days of the first written notice of intent to mediate/arbitrate, a mediator/arbitrator shall be selected in accordance with the Commercial Rules of the A.A.A.

The Arbitration shall be governed by the Federal Arbitration Act, 9 U.S.C. §1 et. seq., and the judgment upon the award rendered by the arbitrator may be entered by any court having jurisdiction to enter the judgment. Either Party may elect to participate in the arbitration telephonically. Any substantive or procedural rights other than the enforceability of this Dispute Resolution Policy shall be governed by Arizona law, without regards to Arizona's conflict of laws principles.

The Parties agree that any arbitration proceeding will be conducted on an individual, not a class-wide, basis, and that any proceeding between the Parties may not be consolidated with another proceeding between one of the Parties and any other entity or person. THE PARTIES SPECIFICALLY

WAIVE ANY RIGHT TO CLASS-WIDE TREATMENT OF ANY CLAIM COVERED BY THIS DISPUTE RESOLUTION POLICY.

The Parties further expressly agree that (i) the arbitrator shall only reach his decision by applying strict rules of law to the facts, (ii) the arbitration shall be conducted in the English language, in Maricopa County, Arizona, (iii) the Party in whose favor the arbitration award is rendered shall be entitled to recover all costs and expenses of the arbitration including, but not limited to, attorneys' fees, expert or other professional fees, and the cost and expense of administration of the arbitration proceedings, and any costs and attorney's fees incurred in executing on or enforcing the arbitration award, and (iv) the arbitral award shall be issued in Maricopa County, Arizona, U.S.A.
